

Sponsorship Form

Interchange is a not for profit, community based organisation that provides respite and recreational opportunities for people with a disability and their families.

With the help of volunteers, Interchange provides services aimed at giving families and carers a break from their everyday caring role and offers people with disabilities opportunities to broaden their social networks.

Celebrating all abilities

The Great Australian Sunny Sizzle campaign is an initiative by Interchange to create more awareness about people with disabilities, and to attract volunteers for our host and recreational programs.

Your sponsorship will go towards the Sunny Sizzle event held at Federation Square in Melbourne on the 1st Friday in June, as well as many of our other initiatives to raise greater awareness of our cause. As our valued sponsor, you have the opportunity to benefit from the various multi-media offered in the sponsorship packages.

Interchange is grateful to all those organisations who already support us and look forward to your support so that we can carry on our work in the community.
